Finances and Fundraising

(as of December 31, 2020)

Detailed financials and the annual budget are on the [Wiki](#).

Cash on Hand

An interactive cash dashboard is available [here](#).

As of December 31, our cash balance was \$111K (157 days of cash). We forecast to end the year with \$55K (78 days of cash).

Our daily expense is approximately \$510.

Funds available by Program

Steward reports available as a standalone [wiki](#) page.

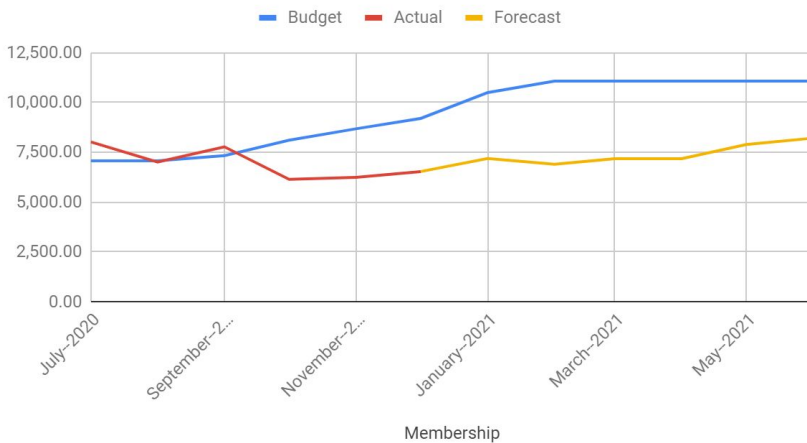

This [page](#) shows monthly program revenue from classes and an overview of available funds by program.

Membership Revenue

An interactive membership revenue graph is available [here](#).

Due to the lower-than-budgeted membership revenue, our forecast for future membership growth is lower (on an absolute basis) and based on historical monthly growth trends (e.g. in previous Januarys, we've previously seen 10-15% membership growth, month-over-month). The graph below shows the modeling for future membership revenue.

Budget, Actual and Forecast

Fundraising Activities

- One grant (State of California, \$15K) applied for in January 2021 - expect response by February 2021
