

## Guided Project: Map Clocks

This is a practice project for newly certified users. Step by step instructions including settings are on the wiki at [wiki.acemakerspace.org/map-clocks/](http://wiki.acemakerspace.org/map-clocks/)

**Material Fee: \$10.00**

If you love your clock want to keep it please pay the material fee at [acemakerspace.org/product/guided-project-materials/](http://acemakerspace.org/product/guided-project-materials/)

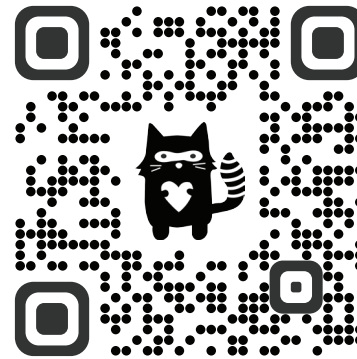

If you want to donate your clock as an Ace fundraiser please return the finished clock to the box and mark it donation with your name. Leave donated projects in the "Incoming Package" bin in storage.
