Ace Makerspace announces two significant transitions: Steven Sheffield, highly valued board member, is officially stepping down from the board having generously served beyond the end of his elected 2024-2025 board term.

The 2024-2025 board term was filled with many challenges. With Steven's direction, we concluded the elected 2024-2025 board term and corresponding fiscal year in a stronger financial position than at the start. This is a testament to Steven's commitment and generosity of spirit.

Additionally, Steven will be ending his position as Treasurer on September 30, 2025, a position he served since 2018. His steadfast dedication and commitment to Ace provided essential services that allowed Ace to function as a non-profit and maintain its fiscal viability. Prior to 2024-2025, Steven stepped into a directorship position as needed, as well as serving as treasurer. It is in large part because of his efforts during the pandemic that Ace Makerspace managed to remain standing!
